

# MEET YOUR OT!

## Keshia Aickin

### Welcome

Hi there. My name is Keshia and I'm going to be your OT. An OT, or Occupational Therapist is someone who helps you to learn and do new things or helps you with things you find tricky – and we always try to have fun! I can't wait to meet you and find out what you love and think is fun so we can do it together!

### Where do OTs work?

OTs work in lots of different places, either indoors or outdoors! For example, you may find me in our rooms in Diamond Creek, doing visits to homes, schools and kinders, or on telehealth.

### When we meet

You might like to bring your favourite toy or game from home when you meet me, or you might like to send me a message with an idea of something fun we could do together.

### About Me

I love being in the outdoors! In my free time you can find me hiking, camping under the stars, or watching the sunset.

I also enjoy cooking delicious meals for friends and family and reading mystery books.

### My Favourites

**Food:** Dumplings

**Colour:** Green

**Animal:** Moose

**Sport:** Skiing

**My favourite thing about being an OT is...** the chance to be playful, silly and have FUN every day!

I look forward to seeing you soon!
