

# MEET YOUR OT!

Marisa Leisos

## Welcome

Hi there. My name is Marisa I'm going to be your OT. An OT, or **O**ccupational **T**herapist, is someone who helps you to learn and do new things or helps you with things you find tricky – and we always try to have fun! I can't wait to meet you and find out what you love and think is fun so we can do it together!

## About Me

I live with my family and our little dog called Koda. I love going to the beach to swim and taking photos of beautiful sunsets.

I also love reading and baking yummy desserts to share with my friends.

## Where do OTs work?

OTs work in lots of different places, either indoors or outdoors! For example, you may find me in our rooms in Diamond Creek, doing visits to homes, schools and kinders, or on telehealth.

## My Favourites

**Food**..... Mint ice-cream

**Colour**.... Blue

**Animal**... Horses

**Sport**..... Swimming

**My favourite thing about being an OT is**.... getting to meet new friends and helping them achieve their goals while having fun!

I look forward to seeing you soon!
