

MEET YOUR OT!

Angela McCosker

Welcome

Hi there. My name is Angela and I'm going to be your OT. An OT, or Occupational Therapist, is someone who helps you to learn and do new things or helps you with things you find tricky – and we always try to have fun! I can't wait to meet you and find out what you love and think is fun so we can do it together!

Where do OTs work?

OTs work in lots of different places, either indoors or outdoors! For example, you may find me in our rooms in Diamond Creek, doing visits to schools and kinders, or on telehealth.

When we meet

You might like to bring your favourite toy or game from home when you meet me, or you might like to send me a message with an idea of something fun we could do together.

About Me

I grew up in a small country town in NSW and moved to Melbourne to study OT. Before being an OT, I was a high school health and PE teacher which I really enjoyed. I love playing different sports, swimming and going for long walks. I also love going to the movies and musicals.

My Favourites

Food.....Pizza or thai food.

Colour.... Pink

Animal... Cats

Sport.....Netball

My favourite thing about being an OT is.....Helping kids explore what they really love or what they are really good at.

I look forward to seeing you soon!
