

# MEET YOUR OT!

Serenity McEwin

## Welcome

Hi. My name is Serenity and I'm going to be your OT. An OT, or **O**ccupational **T**herapist, is someone who helps you to learn and do new things or helps you with things you find tricky – and we always try to have fun! I can't wait to meet you and find out what you love and think is fun so we can do it together!

## Where do OTs work?

OTs work in lots of different places, either indoors or outdoors! For example, you may find me in our rooms in Eltham, or doing visits to homes, schools and kinders.

## When we meet

You might like to bring your favourite toy or game from home when you come to meet me, or you might like to send me a message with an idea of something fun we could do together when we meet.

## About Me

I love playing board games or fun games like balloon tiggly and hide and seek. I love playing my Nintendo switch. I also love reading, drawing, watching movies, making cookies and going on camping or holiday adventures with my family and I have 2 sausage dogs at home.

## My Favourites

**Food**.....Pizza and ice cream

**Colour**....Blue and pink

**Animal**... Koala

**Sport**.....Balloon tennis

**My favourite thing about being an OT is**.....

...getting to see the look of pride on kids' faces every day.

I look forward to seeing you soon!
